Kommunalkredit Public Consulting GmbH (KPC) advises public sector clients both in Austria and internationally and is a subsidiary of Kommunalkredit Austria AG.

Become part of our team that develops international consulting projects for international clients such as development banks and other bi- and multilateral donors as well as supporting our bilateral climate finance projects in the developing world. We offer ample space for a self-organised and highly motivated team-player who helps us to grow our exciting and challenging international business. We offer an excellent working environment in a team of highly talented experts in the forward-looking and rewarding international sustainability market.

## YOUR RESPONSIBILITIES

- Helping to expand our successful business strategy in the field of Environment, Energy Efficiency, Climate Change, Green and Sustainable Finance, Development Aid, etc.
- Working on consulting projects related to the above-mentioned fields as Project Assistant or Project Manager
- Managing teams of experts with different educational/cultural background
- Managing multiyear consulting projects within strict budgets and tight schedules
- Establish and deepen our partnerships with clients (mainly IFIs) and build our relationships with potential partners
- Ability to represent KPC at conferences, meetings, and negotiations

## YOUR PROFILE

- Profound educational background, preferably university degree
- Proven experience in fields like Environment, Energy Efficiency, Climate Change, Green and Sustainable Finance, Development Aid, etc.
- More than 4 years working experience in at least one of the above-mentioned topics
- Highly motivated and self-driven personality; ability to work under tight schedules
- Excellent verbal and written communication and drafting skills
- Excellent project management and communication skills
- Fluent in English and German (desirable), further language skills are an asset

## YOUR SALARY

- The position is governed by the collective agreement for information and consulting. The monthly basic minimum salary is EUR 3.094,61 gross based on the requirements mentioned above. A market-compliant overpayment is of course possible, depending on your experience and qualification.
